TOWARDS LONGEVITY, REDEFINING HEALTH AND WELL-BEING

H.E. Mansoor Al Mansoori

Member of The Abu Dhabi Executive Council

Chairman of The Department of Health - Abu Dhabi

H.E. Mansoor Al Mansoori is a member of the Abu Dhabi Executive Council and the Chairman of the Department of Health - Abu Dhabi (DoH). As DoH's Chairman, H.E. Al Mansoori is spearheading the Emirate's healthcare sector by leading on the development of a world-class, innovative, and sustainable healthcare sector.

H.E. Al Mansoori is a prominent leader with a diverse range of professional experiences in senior leadership positions across government and private sector including healthcare, media, telecommunications, energy, and technology with a proven track record of setting up strategies, building institutional structures and capabilities, and implementing performance-based management systems.

Prior to joining DoH, Al Mansoori was the Group Chief Operating Officer of G42, he was responsible for strategic partnerships, innovation, capacity building, business efficiencies and transformation, revenue optimisation, brand development, organisational culture and the development of future leaders of G42. During his tenure at G42, he was actively involved in the UAE National Covid-19 pandemic response.

H.E. Mansoor served as Director General of the UAE National Media Council from 2015 to 2020 and was responsible for transforming the Council's offerings across regulatory services, media policies, UAE's national media wire services and strategic communications, resulting in the UAE National Media Council winning the Government Excellence Award as the Most Improved Entity in 2018. He contributed towards UAE's brand and reputation management, locally, regionally, and internationally and introduced policies and frameworks to further the country's media and digital communication capabilities and foster innovation and development for the industry.

H.E. Mansoor is the Chairman of Presight AI, an ADX-listed public company. He is also on the Board of Trustees at MBZUAI and serves as a Board Member of Etisalat and Multiply Group, as well as the Advanced Technology Research Council. He held several
